

ACCOUNTABILITY COMMITTEE -MEETING MINUTES  
OCTOBER 12, 2022

Present: Robin Landavazo , Kelli Thompson , Tracy Ardrey, and Missy Stone

The October meeting of the Elbert Accountability Committee was called to order at 4:35pm by Kelli Thompson. The September minutes were presented and approved. The agenda was approved as presented.

**Reports:**

Student Leadership - Mrs. Stone, STUCO sponsor, gave a presentation on the Homecoming events that occurred during the Homecoming week. They did a review of the events and planned to keep most of the ideas, but will work to be a little more organized for the tailgate carnival. They are hoping to have more groups help out. Their next focus will be to find a community service project such as washing fire trucks or deputy cars. They were asked about placing an ad in the Ranchland about Homecoming, but it is not cost-effective.

School Board - Tracy Ardrey gave a full report, highlighting Allie Welch's presentation of her Creed speech she will give on behalf of Elbert and the state of CO at the National FFA convention. Also, she highlighted the extra duty stipends that will be given to staff in November. See board minutes for details.

Administration - Enrollment 285ish. Parent/teacher conferences were held on 10/10/2022 with 95% turnout for elementary and 28% turnout for 6th - 12th. Middle school turnout was the best it has been for many years at 42%. We are excited that our students have shown the best grade performance at the end of a quarter. We only had three students fail - two with 63% and one with 64%. Our low and failing list has been at an all-time low, which we contribute to our amazing staff and students, and the new study skills course for those who had been underperforming. Discipline has been pretty routine.

Sub-committees - No report.
