Elbert School District

PHYSICIAN'S AUTHORIZATION FOR THE ADMINISTRATION OF MEDICATION BY SCHOOL PERSONNEL

- Students taking required medication(s) prescribed by a physician during regular school days or other school activity that is supervised by school staff may be assisted by the school nurse or other designated school staff who are trained/supervised by the school nurse.
- Medications may only be administered at school that are required to enable student to stay in school and with specific written instruction from physician and parent/guardian of the student.
- All medication forms must be renewed each school year.
- **Physician, please give specific parameters to administer medication. Designated school staff cannot make medical judgment to administer "as needed" medication. If PRN please note the minimum duration between doses.**

PARENT REQUEST THAT SCHOOL ADMINISTER MEDICATION

I request that medication be administered to my child by the school nurse or other designated member of the school staff in accordance with the instructions on the Physician's authorization. Please give my child their medication at_____
(what time, with food, before PE, special instructions, etc)

I understand that it is my responsibility to furnish this medication in a pharmacy labeled container indicating: child's name, name of drug, dosage, and instructions for administration. The medication bottle must match the physician's prescription above.

I will notify the school immediately if the medication is to be changed or terminated or if we change physicians.

It is understood that the medication is administered solely at the request of and as an accommodation to the undersigned parent or guardian. In consideration of the acceptance of the request to perform this service by the school nurse or other designee employed by the Elbert School District, the undersigned parent or guardian hereby agrees to release the Elbert School District and its personnel from any legal claim which they now have or may hereafter have arising out of side effects or other medical consequences of the medication

I hereby give my permission for _____
(name of student)
to take the above named prescription at school as ordered.
